Crossword

Can you spot 5 things that are different in each of these pictures?

Spot the difference

Can you match the words to the pictures

Echidna

Emu

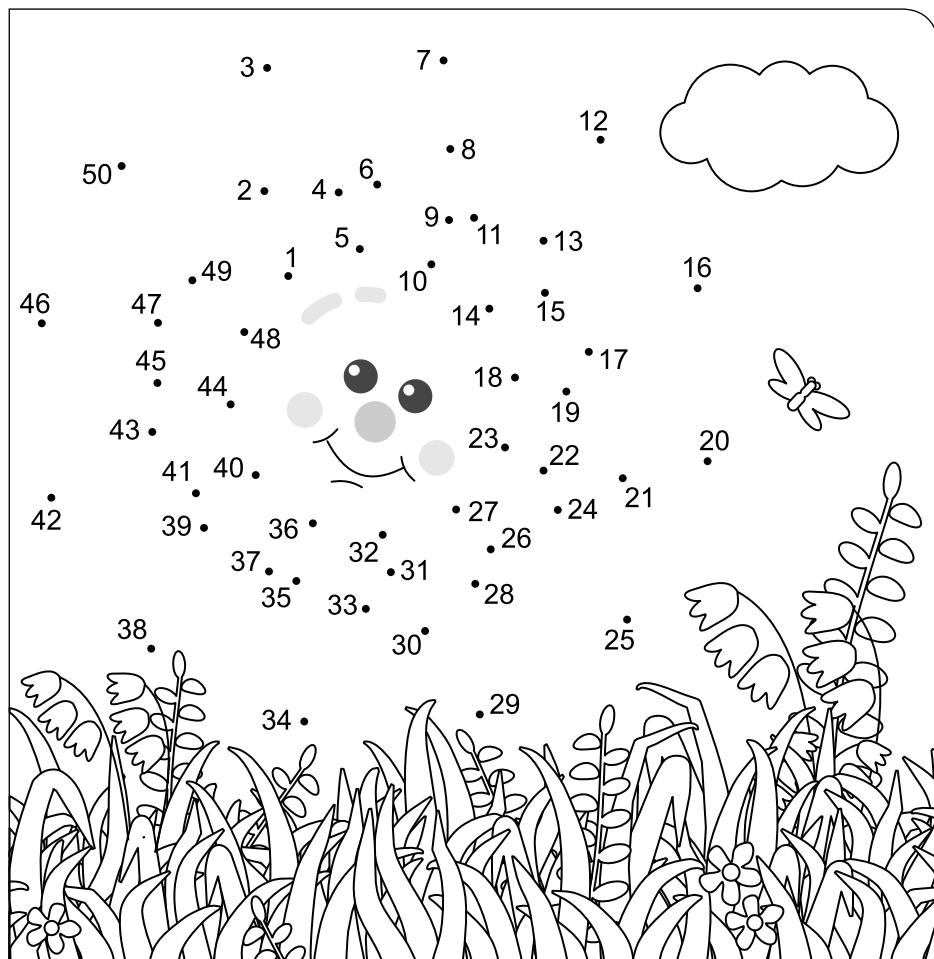

Platypus

Kangaroo

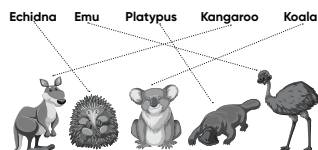

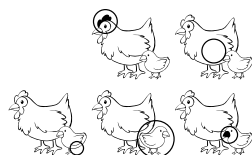

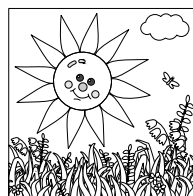

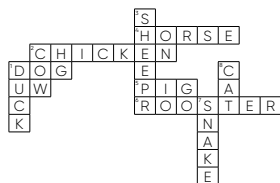

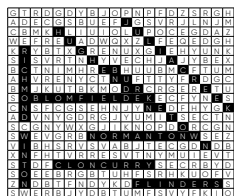

Koala

Read and match

Connect the dots

Answers

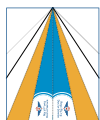

Check the answers here. How many did you get correct?

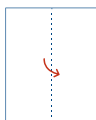

Did you know?

- > We fly more than 26 million kilometres every year. That is approximately 600 trips around the world.
- > We help one person every two minutes. That is approximately the time it will take you to fold this paper plane.

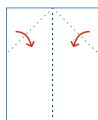

READY... SET... GO!

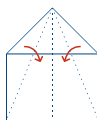

Start with back facing up

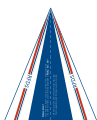

Fold paper in half

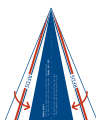

Fold corners into middle

Fold sides into centre

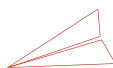

Turn page over

Fold in half

Fold wings down

Get ready to fly!
